UNITED STATES DISTRICT COURT  
NORTHERN DISTRICT OF CALIFORNIA  
SAN JOSE DIVISION

PAPST LICENSING GMBH & CO. KG,

*Plaintiff,*

v.

ALTERA CORPORATION,

*Defendant,*

and

INTEL CORPORATION,

*Counterclaimant.*

Case No. 5:16-cv-00926-LHK (NC)

**STIPULATION TO EXTEND  
DEADLINES DUE TO ANTICIPATED  
CASE RESOLUTION (FIRST  
REQUEST)**

1 Pursuant to Civil L.R. 6-2, Plaintiff Papst Licensing GmbH & Co., KG (“Papst”),  
2 Defendant Altera Corporation (“Altera”), and Counterclaimant Intel Corporation (“Intel,”  
3 collectively, the “Parties”) stipulate and jointly request that the Court enter an order extending by  
4 two weeks the deadlines for the briefing of Intel and Altera’s motion for summary judgment  
5 regarding Intel-Rambus license issues, and the date of the hearing on that motion. (*See* Doc. 74).

6 Good cause exists to grant the extension. Although briefing on the summary judgment  
7 motion is set to begin on June 30, 2016, the parties have reached an agreement in principle that is  
8 expected to dispose of all claims and counterclaims in this case and thus render the summary  
9 judgment motion unnecessary. The requested extension will give the Parties sufficient time to  
10 reduce their agreement to writing and to file dismissal papers with the Court.

11 This is the first request for an extension to the deadlines relating to Intel and Altera’s  
12 motion for summary judgment regarding Intel-Rambus license issues. There have been three  
13 previous stipulated modifications to the schedule in this case. All three were requests for  
14 additional time to submit a proposed protective order. (*See* Docs. 30, 35, 36).

15 The Parties do not anticipate that the requested extension will have any effect on the  
16 overall schedule for this case. As noted, the Parties expect to reach a final agreement and file  
17 dismissal papers within the next two weeks. In the extremely unlikely event that the Parties are  
18 unable to reach a final resolution in that time, the requested extension will cause only a short  
19 delay in the briefing and hearing of Intel and Altera’s summary judgment motion, but the Parties  
20 do not expect that the extension would affect any of the other remaining dates set out in Court’s  
21 Case Management Order (Doc. 74).

22 Accordingly, the Parties stipulate and jointly request that the Court extend the dates for  
23 the summary judgment briefing and hearing as follows:  
24  
25  
26  
27  
28

Event	Existing Date (Doc. 74)	New Date
Deadline for Intel and Altera to file Motion for Summary Judgment	June 30, 2016	July 14, 2016
Deadline for Papst to file Opposition to Summary Judgment Motion	July 21, 2016	August 4, 2016
Deadline for Intel and Altera to file Reply in Support of Summary Judgment Motion	July 28, 2016	August 11, 2016
Hearing on Intel and Altera's Motion for Summary Judgment	August 11, 2016 1:30 p.m.	August 25, 2016 1:30 p.m., or another date convenient for the Court

**IT IS SO STIPULATED.**
